INNOVATIVE TECHNOLOGY & STATE OF THE ART ENGINEERING

ELECTRIE is a brand unit of One Auto Pvt. Ltd. that is associated with Maruti Suzuki India Ltd. in the Eastern region for a number of years now. The company is a part of the multi-diversified Misra Group. Since the inception of ELECTRIE, we profoundly focussed on innovative technology and user-friendliness. ELECTRIE has grown over the years and its exposure to the global markets has enabled the brand to provide solutions that stand out from the rest.

Superior manufacturing processes, top notch technologies and innovative talent have made it possible for us to create a niche for ourselves in the market. We are proud of the fact that our offerings of Battery Operated Vehicles and Material Handling Equipments have found immense application in a number of sectors and industries like resorts, government houses, trade shows, warehouses, hospitals, factories, IT parks and farm houses. Our focus: to provide low-cost and high-utility solutions which people would love.

ELECTRIE has attained a remarkable position by setting up an assembly unit and marketing network of Material Handling Equipment through a joint venture with Anhui Heli Co.Ltd. (No.1 in China & No.8 in the World).

Anhui Heli is presently the largest industrial vehicle research and development, manufacturing and export base in China with the most complete product line and industrial chain. Since 1991, it has been ranking NO.1 for 23 consecutive years in China and it's ranked NO.8 in the World. The brand "HELI" is a famous Chinese trademark. Its main products have achieved European CE Safety Certification, the US EPA environmental protection certification and system certifications of ISO9001, ISO14001 and OHSAS18001.
